

“WORKING TOGETHER FOR A SAFE COMMUNITY”

We believe in the value of having our Police Department work in partnership with our community. We have placed the slogan shown above on all of our police vehicles to remind us of the necessity of working together for the common good of the community.

Working in an environment of cooperation with the schools, the churches, the service organizations, the other City departments, the City Manager and City Council so we can provide a higher quality of life for all those living in the community of Cloverdale. This type of community connection brings us great job satisfaction. When you add in our great employees, current technology, and lots of training opportunities, you can see why we love to work here!

The Police Department consists of a Police Chief, two Sergeants, nine patrol officers and one school resource officer. Our department also includes two Reserve Officers, a Community Service Officer, Dispatch Personnel and one K9 unit.

We are currently in the planning stages of a new Police station and will break ground when a location becomes available.

Please come join us and be part of something worthwhile where you can make a difference and be part of a community.
